

**Rainbow Invitational Marching Band Festival**  
**Thursday, November 9, 2017**

Dear Students and Parents,

Each year the University of Hawai'i Band hosts its Rainbow Invitational, which showcases high school marching bands from around the State. This event is optional, but highly recommended for students to attend, as it highlights an aspect of music performance not covered at the middle school level.

We also need 1 adult chaperone for every 6 students. If you are able to chaperone, please fill out the bottom portion of this sheet and return it with your child's permission form. If we do not have enough chaperones, this excursion will be cancelled. Students must remain with their chaperone at all times. They will be dismissed by chaperone groups to go to the concession stand only once. Students must be escorted by chaperones to the restrooms. **Important: Everyone must ride the bus to and from the event if going with the band. If you choose to take your child to this event separate from the band, you must remain with your child at the stadium for the duration of your stay.**
